## The ChequeMate plan is a simple, yet highly effective way of donating regularly to the Liberal Party through a pre-authorized chequing plan.

You decide how much to give, you decide where it should go.

Simply decide how much you would like to donate monthly, return the attached form with one void cheque or with credit card information, and we'll take care of the rest.

Through the ChequeMate Plan, you can donate to our local riding association, or to Party Headquarters.

It's your choice.

ChequeMate contributors receive numerous special benefits including invitations to the Annual ChequeMate Reception. And, of course, ChequeMate plan members receive the same tax benefits as other donors.

The Liberal Party of Canada depends on supporters like you. But it isn't always easy attending fundraising events or being there when needed.

A pre-authorized chequing plan makes it easy to give — and provides your local riding association or the central party office with a steady revenue stream. This helps to ensure a solid financial footing for our party, not just when an election is called, but also during the important years between elections.

Whether it's \$10 or \$100, your monthly donation will go a long way toward ensuring that the Liberal Party of Canada can continue to provide strong leadership for our country and maintain a strong presence in your community.
